* If the Car Handsfree HCB-700 is to be used with M600, P990, Sony Ericsson P1, W950, W958 or W960, Phonebook / Call list dialling is not supported.
** Step to next/previous preset channel via remote control is not supported on the HPM-82, HPM-85 & HPM-90 when used in FM radio mode with W810, W800, W700, W200, K750. HPM-90 does not support RDS information when listening to the FM radio
***MMR-60 has limited market availability
****SMS notification is not supported on MBW-100/MBW-150 when used with W810. Please note that in order to have full compatibility between the MBW-100/MBW-150 and your Symbian OS phone you need to have software release MR-C or later. If you do not have this release some functionality may not work. You can find which SW release you have on your phone or upgrade it to the new version by using Sony Ericsson Update Service.
*****HPM-90 does not support RDS information when listening to the FM radio
******HWM-40 must be used with an appropriate Car Holder, such as HCH-70
